

## Newbury Street Practice Travel Form 2023

- Please note this form needs to be completed and returned at least six weeks before travel and may take up to two weeks to be actioned by a nurse.
- We will no longer be providing private travel vaccinations however we will be continuing to administer the following NHS travel vaccines – Hepatitis A, Typhoid, Diphtheria, Tetanus and Polio.
- If you are travelling at short notice or require private vaccinations, you will need to seek advice from a private travel clinic.
- Some vaccines require several appointments.
